

PERFORMERS THEATRE COMPANY NEWSLETTER #1

2022 | May

Welcome to Performers Theatre Company! I am absolutely thrilled that my vision of opening a performing arts theatre company has finally happened and I am excited to see what the future holds.

At Performers Theatre Company, our aim is to offer high quality teaching and outstanding performance opportunities to children and young people aged between 5-16. Our highly skilled and professionally trained teachers aspire to give our children the chance to perform to their highest ability in all aspects of the performing arts through building their performance, self-confidence, physical, mental, social and life skills in engaging and exemplary lessons. It is our goal to give our children long-lasting memories and performance opportunities that will allow them to achieve and prosper in all areas of their future lives.

LAUNCH PARTY

I was truly overwhelmed by the turn out at our official Launch Party during the Easter holidays. It was a fantastic event where my incredible team had the chance to meet prospective pupils and their adults as well as allowing those in attendance to watch live performances from extraordinary local talent including Nevaeh, our ambassador Rachel Dean and our dance teacher Selena Barron. Children were able to sign up for classes, order their uniform, take part in an exciting raffle, get their face painted and be inspired by local talent.

We had over 60 people in attendance throughout the course of the three hours which is superb! I would like to thank my team, group of volunteers, friends, and family for their support during this event and for giving Performers the kick start it so rightfully deserved. **We were even lucky enough to feature in *The News* prior to the event!**

FIRST SHOW CONFIRMED

Performers Theatre Company's first show has been confirmed. We will be announcing the show in September. **Auditions for the show will commence in October 2022** for both those enrolled at Performers and those who are not. Rehearsals will commence soon after.

Please refer to the Performers' Code of Conduct if you are considering your child taking part. A couple of points to consider:

- Production rehearsals will cost **£6 a session**. These sessions will run for a maximum of 3 hours
- Children must **sell a minimum of 5 show tickets**
- We do kindly ask for a **£30 voluntary contribution** to support the running of the production
- Children need to be able to **attend all rehearsals** - please consider your availability and flexibility before allowing your child to audition

UNIFORM

At Performers, children must follow our uniform policy. This is to ensure the safeguarding of all children as we use public premises. It is also to ensure that our children look smart and professional - we never know when industry professionals or agencies could turn up!

Please make sure you order your child's uniform if you have not already done so. This can be done in one of three ways:

- By downloading the uniform form from our website and emailing it to us completed
- Ordering directly with The Uniform Company
- Order in person on Saturdays

If your child is doing a one-off taster session, there is no expectation to wear Performers uniform. We would kindly ask that children wear navy or black.

HAIRSPRAY SUMMER SCHOOL

We will be doing a HAIRSPRAY Summer School this August from Monday 8th - Friday 12th. Venue is to be confirmed. For full details, use the link below. Places are limited - sign up today!
