Fees

At Performers Theatre Company, we are committed to providing high-quality performing arts education through clear, fair and transparent fee arrangements.

We offer a range of classes, programmes and packages designed to support students at different stages of their performing arts journey.

Our current fees and available packages can be found at:
www.performerstheatrecompany.com/fees

How Do Our Fees Work?

Fees for our regular classes are calculated using an annual programme of 39 teaching weeks, with the total cost divided into 12 equal monthly payments.

This provides a consistent monthly payment throughout the year, regardless of school holidays or the number of scheduled sessions within an individual month.

Monthly fees therefore contribute towards the full annual programme rather than a fixed number of lessons each month.

Invoicing & Payments

Invoices are issued through ClassManager and are normally payable within 14 days of issue.

A £5 late-payment charge may be applied where payment remains outstanding beyond the deadline, in accordance with our Fees and Payments Policy.

Families experiencing payment difficulties are encouraged to contact us promptly so that appropriate arrangements can be discussed.

Absences & Cancelled Sessions

Fees are not ordinarily refunded or credited for student absences, including illness or holidays.

Where Performers cancels a scheduled session and is unable to provide an appropriate replacement, a credit or other remedy will be considered in accordance with our published terms and applicable consumer rights.

"Every child deserves an opportunity to showcase their talents and Performers offers all they need."
-Parent

Students may join our regular classes throughout the academic year, subject to availability and appropriate enrolment arrangements.

We offer free trial sessions for eligible regular classes, allowing prospective students to experience Performers before committing to enrolment.

Withdrawal from Classes
Families wishing to withdraw from regular classes must provide four weeks' written notice, in accordance with our Terms & Conditions.

Fees falling due during the notice period remain payable, subject to the applicable terms and statutory rights.

Additional Activities
Productions, workshops, masterclasses, holiday schools, examinations and other specialist opportunities may incur separate fees.

Full details of additional charges, payment schedules and relevant participation conditions are provided before booking.

Please refer to our Fees and Payments Policy and Terms & Conditions for complete information.

Student Leadership and Pupil Mentorship

Nurturing leaders

At Performers Theatre Company, we believe that performing arts education provides valuable opportunities for personal development beyond the stage. Alongside developing performance skills, we encourage students to build confidence, independence, resilience, teamwork and communication skills.

Our student leadership opportunities enable young people to take responsibility, contribute ideas and act as positive role models within the Performers community.

Head Boy & Head Girl

Our Head Boy and Head Girl represent the student voice and support the positive development of Performers Theatre Company.

Appointed through an application and selection process, they are encouraged to demonstrate leadership, responsibility, kindness and commitment to our organisational values.

They contribute ideas, support initiatives and act as ambassadors for the wider student community.

Pupil Mentorship - StageBuddy

Our StageBuddy initiative provides opportunities for older students to support and encourage younger members of Performers.

Through structured, staff-supervised activities, student mentors help younger students develop confidence, build positive relationships and feel part of the wider Performers community.

The scheme promotes leadership, cooperation and mutual respect while ensuring that responsibility for teaching, supervision and safeguarding remains with our staff.

Participation in leadership and mentorship opportunities is subject to appropriate selection, guidance and supervision.

Work with industry professionals

Throughout the year, we welcome experienced performers, directors, choreographers, musical directors and other creative professionals to deliver specialist workshops and masterclasses.

These experiences allow students to learn from individuals with different backgrounds, perspectives and professional expertise, broadening their understanding of the performing arts.

We have been fortunate to work with a range of industry professionals, including performers with experience in West End productions, professional theatre and screen performance.

Our workshops encourage students to challenge themselves, develop confidence and explore new approaches to their craft.

Learn new skills outside your comfort zone

We believe that trying something new is an important part of personal and artistic development.

Alongside our core disciplines, students may have opportunities to explore specialist areas such as:

- Acting for camera
- Stage combat
- Audition technique
- Acting through song
- Character development

All activities are planned and delivered with appropriate consideration for age, experience, safety and individual needs.

Our aim is to provide exciting and memorable experiences that inspire students to continue developing their abilities and ambitions.

Holiday Schools

In addition to our regular classes, workshops and productions, Performers Theatre Company offers holiday schools that provide immersive and exciting performing arts experiences. Our annual summer school is a highlight of the year, giving students the opportunity to work collaboratively towards a final performance.

Throughout the programme, students develop skills in acting, singing and dance while exploring other aspects of theatrical production. Depending on the programme, activities may include audition technique, character development, stage presence, creative design and performance preparation.

Holiday schools are designed to be engaging, inclusive and appropriately challenging, helping students develop confidence, friendships and a sense of achievement.

Performers Theatre Company also organises excursions that allow students to experience the wider performing arts industry.

Previous opportunities have included visits to West End productions, professional workshops and specialist training experiences.

Through professional partnerships, specialist workshops and industry connections, we aim to provide students with valuable insight into opportunities within theatre, television, film and other areas of performance.

These experiences may include access to professional advice, training opportunities and information about appropriate pathways into the industry.

Where external agencies or professional organisations are involved, participation is subject to their own eligibility, selection and safeguarding arrangements.

Professional representation, auditions and employment opportunities are not guaranteed.

Our priority is ensuring that students and families receive appropriate guidance and can make informed decisions about any opportunities they choose to pursue.

Productions

At Performers Theatre Company, theatrical productions are an important part of our commitment to providing high-quality performance opportunities.

From smaller showcases to full-scale musical productions, students have the opportunity to apply their training in a professional and supportive theatrical environment.

Our productions provide valuable experience in rehearsal discipline, teamwork, character development, stagecraft and live performance.

Our Production Opportunities

Throughout the year, Performers Theatre Company presents a range of theatrical productions for different age groups and experience levels.

These may include:

- Junior musical productions
- Full-scale musicals
- Teen productions

Many of our productions operate through an open audition process, providing opportunities for both existing Performers students and performers from the wider community.

Audition requirements, age eligibility, rehearsal commitments and performance dates are published separately for each production.

Production fees

Participation in a Performers production normally involves a separate fee.

Production fees contribute towards the costs of delivering high-quality theatrical experiences, including professional creative teams, rehearsal facilities, theatre hire, costumes, scenery, props and other production requirements.

Fees and payment arrangements vary depending on the production and are clearly communicated before participants accept a place.

Where available, payment instalments may be offered to help families manage the cost of participation.

Full terms, including any additional charges and withdrawal arrangements, are provided within the relevant production information and participation agreement.

Being Part of a Production

Participating in a Performers Theatre Company production is an exciting and rewarding experience that requires commitment, teamwork and professionalism.

Cast members are expected to approach rehearsals positively, respect fellow performers and creative team members, and take responsibility for their individual preparation.

Before accepting a role, participants and their parents/carers, where applicable, must read and acknowledge the relevant Production Code of Conduct and participation arrangements.

Our Production and Rehearsal Policy provides further information about expectations, safeguarding, attendance, supervision and other important requirements.

Marketing & Promotional Events

Throughout the production process, cast members may be invited to participate in promotional activities, including public performances, interviews, photography and filming.

Families will be provided with relevant information about these activities in advance. Participation in additional promotional events is normally optional unless otherwise stated within the specific production arrangements.

Photography and filming activities are managed in accordance with our Photographs and Images Policy and relevant consent arrangements.

Rehearsal Schedule

Productions require regular attendance and a strong commitment to the rehearsal process.

Rehearsal schedules are normally provided before auditions or before participants are asked to accept a role, allowing families to understand the expected commitment.

Cast members are expected to attend all required rehearsals and notify the production team promptly if an unavoidable absence arises. We recognise that exceptional circumstances can occur and encourage families to communicate any concerns as early as possible.

Additional rehearsals may be arranged where necessary, with appropriate notice provided wherever practicable.

Our aim is to create productions that are professionally delivered, creatively rewarding and memorable for everyone involved.

Community Involvement

At Performers Theatre Company, we believe that the performing arts have the power to bring people together, strengthen relationships and make a positive contribution to the wider community.

We are proud of the supportive network of students, families, staff, volunteers and community partners who contribute to the continued development of Performers.

Through fundraising, community events, performances and collaborative projects, we aim to create opportunities for people to connect, contribute and celebrate the performing arts.

Friends of Performers Theatre (FoPT)

Established in October 2022, Friends of Performers Theatre (FoPT) is our parent/carer-led support association.

The committee works alongside Performers Theatre Company to support fundraising initiatives, organise events and contribute ideas that benefit our students and wider community.

FoPT plays an important role in helping to create additional opportunities and memorable experiences for our students.
